

‡ Gender equality

- Gender equality is possible in today's society
- Men and women are treated equally
- Men and women are now equal at work
- The media provides bad female role models
- Housewives should be paid for their work
- Barbie should be banned
- Women have achieved equality
- A woman's place is in the home
- Life is easier for men
- Compulsory military service should be introduced for both men and women
- Women are less intelligent than men

‡ Education

- The best way to create equality is to go to school
- Wearing uniforms at school make us equal
- School uniforms should be compulsory
- Girls are better students than boys
- Equality of opportunity starts at school
- Education is a good way to promote equality
- Students and teachers should have the same rights
- Schools should provide all children/ students with a computer
- Teachers should stop giving homework
- All schools should be single-sex
- Attendance at school should be voluntary
- The actual school system promotes equality
- School is the best form of education
- Students should decide on the subjects taught at school
- School is a place of equality

‡ Health

- Health care should be the same for everybody
- A healthy lifestyle is possible for everyone

‡ Politics/ justice

- Justice should be the same for everyone
- The Parliament is the reflection of society
- More women are needed in parliament
- We need more women leaders
- Women should have more top positions in the Army

‡ Social networks

- Social networks are useful to promote equality

- Social classes are divided on Facebook
- Facebook promotes freedom of speech for everybody

‡ Internet

- The Internet is the only way of giving everyone access to culture
- Video games should be banned for children under 10
- The internet should be censored

Food

- We all have access to good and healthy food in France

Positive discrimination

- Differences are necessary to create equality
- Positive discrimination is a good way to promote equality
- Positive discrimination is desirable

‡ Culture

- Sport is a good way of promoting equality
- Fashion promotes equality
- Sport would be better without sponsors
- Clothes make the person
- Television advertising encourages cliches and stereotypes

‡ Values

- Money spoils everything
- Money can buy happiness
- You need to be rich to be happy in our consumer's society
- Men were all born equal

- Friendship requires perfect equality
- All people are equal but some are more equal than others (cf. George Orwell)
- Equality is possible anywhere in the world
- The consumer's society is destructive
- Equality of opportunity is obvious in our society
